(4) The total cost of the establishment proposed for Lalitha Mahal = Rs 2760/- p.a or Rs 230/- p.m. for the 1st year.

(5) As regards the proposed revision of the Guest House, the total average extra cost is 1290/- p.a or 107½ p.m. (Vide Page 10. The proposition for revision)

30 × 12 = 360/-
50 × 12 = 600/-
4(20) 80 × 12 = 960/-
2(10) 20 × 12 = 240/-

(7) The extra cost during the next year will be Rs. 2760 + 1200 (average 1290) = 3,960
The proposals, if sanctioned, will have effect from 1.6.1930.

(8) For orders. Finl: Secy will have to be consulted.

Chief Secy) 10/4

(9) The proposal consists of two parts.
a) permanent staff for Lalitta Mahal

b) revision of pay, with an additional clerk, for Govt House

(a) Considering the fact that Lalitta Mahal is required for the accommodation of guests on very rare occasions, it would seem sufficient if a small establishment for purposes of watch & ward only is sanctioned.

(10) b) The proposals in respect of Govt House establishment seem to be reasonable & may be sanctioned

(13) As regards (b) I would omit the addl hand. The pay of the Supdt may be fixed on a progressive scale - 100-4-120 with Rs. 45. The Accts pay as proposed seem bit much too liberal. 50-3-65 is suggested. I have indicated in the margin by the P. W. D, the modifications made now in the proposal of the Private Secy.

(14) In view of financial stringency, the strictest economy especially in the matter of recurring expenditure has bin practised.

(15) The proposal as above revised may be sanctioned from 1st July 30, necy provision being included in the budget for 30-31

Sir,

As it is learnt unofficially from the Private Secretary to His Highness the Maharaja that he has been asked by Government to submit proposals for revising the Establishment of the Government House with a view to merge the control of the staff Lalitha Mahal with that of the Government House, I have the honour to forward herewith duly verified the proposition statement in respect of the staff of the Government House together with letter No.897 dated 21-2-30 addressed to you.

R.Ranga Rao, Esq., B.A., B.L.,
General Secretary to the Government
of H.H.the Maharaja of Mysore, Bangalore

THROUGH

W. 1097

The Comptroller to the Government
of H.H.the Maharaja of Mysore,
B a n g a l o r e.

S i r,

(1) As it is understood that it is the intention of the Government that the control of Lalitha Mahal should be merged with that of Government House, I have the honour to submit proposals for carrying this intention into effect.

(2) I may mention that already some measure of amalgamation has been effected and a large saving has resulted therefrom. For instance, instead of separate sets of crockery, cutlery, china and glass being purchased for Lalitha Mahal, what has been done is to raise the number of sets at Government House to a figure of 100 all round and to debit Lalitha Mahal only with the cost of the supplementary sets purchased. At the same time special contrivances are being devised for providing for the safe and rapid transit of these articles from one building to the other on the occasion of large entertainments, and their automatic counting at the time of despatch and return.

(3) For the actual control of Lalitha Mahal the smallest staff that seems likely to be satisfactory, having regard to the number, variety and value of the furniture and fittings, is the following:-

1 Head butler	on	Rs30-2½-45,	
2 room boys	on	Rs25-1- 30,	and
4 room boys	on	Rs20-1- 25,	each to be responsible for his own set of rooms,
2 peons	on	Rs10-½-15 ,	
1 sweeper	on	Rs10-1- 12,	
1 cook	on	Rs30-1-40,	
1 cook's matey	on	Rs10-1- 15.	

This staff will be fairly fully occupied throughout the year in maintaining properly a building of this large size with so many valuable fittings. They will, however, be also available to supplement the staff of Government House on the occasion of entertainments, and it is hoped will materially reduce the charge for temporary servants on those occasions.

4 There will further be necessary at least one extra clerk to keep the accounts of stores, furniture, fittings etc, and while making this suggestion for addition to the staff, I would request the sanction of Government to a small revision in the grading of the staff attached to Government House. One principal defect in this is that there is at present no responsible officer to relieve the Superintendent of any part of his duties, with the result that when he is continuously on duty in connection with the entertainment of guests, as is frequently the case, the whole work of the office comes to a stand-still for the time being. I have several times ventured to impress upon Government the necessity for much more careful accounting than is at present possible in respect of the tents, furniture and stores at Government House, the value of which must amount to some lakhs of rupees. There will now be added to this the responsibility for a further supply of furniture etc. amounting to at least another lakh. In order that this responsibility may be properly met, I would request that the pay of the head accountant may be raised at least to Rs.60-4-80. I would further suggest the employment of an additional clerk on 30-2-40, making the pay of the whole staff as shown below in contrast with the present establishment.

Existing Establishment		Proposed Establishment
Superintendent 100 plus 45 L.A.		Superintendent 120 plus 45 L.A.
Accountant 30-2-50		Head Accountant 60-4-80.

Existing Establishment (Continued)	Proposed Establishment
1 Clerk on 40-2-50 plus IO L.A.	1 Clerk on 40-2-50 Plus IO L.A.
1 Clerk on 30-2-40 plus IO L.A.	2 Clerks on 30-2-40 Plus IO L.A.
1 clerk in charge of tents on 20-2-30	1 Clerk on 20-2-30 plus IO L.A.

5 In conclusion I would suggest that the pay of the Superintendent, Government House, be raised from 100 to 120, leaving his local allowance of Rs.45 unchanged. As I have represented in another connection, the number of guests entertained in recent years has increased by 85%, and it would be impossible to meet their demands if it were not for the efficient organisation and thorough knowledge of his duties of the present Superintendent, Mr.M.Srikantaiya. I may add that he has had no increase in pay since 1926.

6 If the Government will be pleased to accord early sanction to these proposals, provision will be made for them in the next year's budget, which is now under preparation.

I have the honour to be,

Sir,

Your most obedient servant,

Private Secretary.
